## **New Jersey Center for Hispanic Policy, Research and Development**

**Governor's Hispanic  
Fellows Program**

### **THE CENTER'S MISSION**

To engage, educate and empower the Hispanic Community in New Jersey by creating a vision for the future through the process of inclusion in policy development and direct social services. Develop public/private partnerships that enrich and promote the Office's programs and initiatives in support of Hispanics across the State. Provide the necessary tools and assistance in creating training/employment opportunities for Hispanic college students.

### **GOVERNOR'S HISPANIC FELLOWS PROGRAM**

The Governor's Hispanic Fellows Program (formerly the Hispanic Interns in Community Service Program) was created in 1988 and implemented in the State of New Jersey with the goals of:

- Exposing Hispanic college students to career opportunities in state government, or other areas of public service, as well as in the nonprofit and private sectors.
- Allow students to develop and strengthen professional skills in a conducive working environment.
